

MAD SCIENCE AT GODWIN SCHOOL

GRADES K-6

The Glow Show- January 24 (register by Jan 22)

Come on down to the Glow Show to light up your imagination! Using Chemical reactions we will brighten things up to show you the awesome properties of light! Discover secret substances and hidden messages with the incredible glow show card!

Radical Robotics - January 31 (register by Jan 29)

Children become wrapped up in the world of robotics! Volunteers act out a robot, remote control device and an automaton. Children control an automaton through sound and make a soccer robot score a goal! They build their own **Robot Hand**—a human-like end effector.

Life in the Sea - Feb 7 (register by Feb 5)

The ocean holds many mysteries. Children learn about its diverse life forms—from plankton to whales! They discover underwater habitats, and learn how humans can help protect ocean life.

Energy Burst!- Feb 14 (register by Feb 12)

Children explore the energy of motion. They pop, jump and flip with hopping, swimming and swinging toys. They check out the kinetic energy in rubber, band-wound gadgets and reach their potential with the **Catapult Take-Home**.

Moving Motion - Feb 28 (register by Feb 26)

Children catapult into Newton's three laws of motion! They yank a cloth from under dishes, send crash test dummies flying and launch mini-rockets across the room. They see action-reaction forces at work with the twirling **Newton Spinner Take-Home**.

All About Animals- March 7 (register by March 5)

What is an animal? Children explore the animal kingdom and learn about the habitats, adaptations and life cycles of their favorite creatures. They experiment with animal calls and camouflage, and create their own **Animal Tracks** to take home.

Select Spring 2017 Courses GRADES K-6, Held at Godwin School

___ **The Glow Show**
Tuesday, January 24, 3:15 – 4:15pm
___ **Life in the Sea**
Tuesday, February 7, 3:15pm – 4:15pm
___ **Moving Motion**
Tuesday, February 28, 3:15pm – 4:15pm

___ **Radical Robotics**
Tuesday, January 31, 3:15 – 4:15pm
___ **Energy Burst!**
Tuesday, February 14, 3:15pm – 4:15pm
___ **All About Animals**
Tuesday, March 7, 3:15pm – 4:15pm

Check the workshop(s) attending: \$25 Each or TAKE ALL 6 WORKSHOPS - \$125 (get 1 free!!)

Go to the drop down window, Select Spring 2017, Courses and "Youth Events" Select Workshop(s)

Dear Parents,

Midland Park Continuing Education will be sponsoring Mad Science, an enrichment organization, to provide **ALL NEW** after-school science programs at Godwin School, starting January 2017. In the Mad Science club, students are introduced to science using a hands-on inquiry-based approach in a fun and entertaining way. The cost is \$25 per class or \$125 if you take all 6 (get 1 free), which includes all materials and an awesome take-home item *EVERY* week! Please see reverse side for a detailed program summary and registration.

Class size will range from a minimum of thirteen to a maximum of twenty children. Enrollment is open to grade K-6 and is offered strictly on a first-come, first-serve basis. ***Please look at the days and dates carefully, as there are no makeup classes for individual absences. Makeup classes will only be scheduled for cancelled classes.***

****Please note that children will be dismissed at the end of the workshop, pick up your child promptly from the designated door by the flagpole.**

****If your child regularly attends After Care on Tuesday, they should report to the Godwin School gym for attendance first, they will then be sent to the workshop. When the workshop is over, children should return to the gym to continue After Care.**

Classes will meet at Godwin School from 3:15 PM to 4:15 PM.

Class Sessions will take place on:

Tuesday Jan. 24, 2017

Tuesday Jan. 31, 2017

Tuesday Feb. 7, 2017

Tuesday Feb. 14, 2017

Tuesday, Feb. 28, 2017

Tuesday, Mar. 7, 2017

barring no cancellations.

Cost: \$25 per class – Register for all 6 classes - \$125 (get one free!)

Registration will be handled directly by
Midland Park Continuing Education
(see reverse for registration info)
